

# Credit Reporting

*Paying Rent Has Never Been so Rewarding*

Residents can now increase their credit score by paying their rent online. PayLease's free credit reporting feature improves on-time collections and allows residents to positively build their credit history based on the rent payments they process with their property management company.

## How it Works

Resident opts in and provides additional information

Resident pays rent online

Rent-related payment data is sent to credit bureaus

## Why You'll Love It

### ✓ Complimentary Service

Free for both residents and property managers

### ✓ Increases Resident Satisfaction

Residents can improve their credit score

### ✓ Encourages On-Time Payments

Residents are more accountable to pay on time

### ✓ Optional Feature

Can be disabled at any time

### ✓ Motivates Residents to Pay Online

Only online payments are reported to credit bureaus
